

HAIGH GAINS IN THE RE-COUNT

City Attorneyship of Murray Hinges on the Validity of Challenged Ballots.

INCUMBENT MAY LOSE OUT

ECHO OF RECENT MUNICIPAL CONTEST IN DISTRICT COURT.

D. M. Haigh will win his contest against S. L. Richards for city attorneyship of Murray, if Judge Ritchie sustains the legality of all the ballots which both sides have challenged during the recount which was completed last evening.

On the fact of the returns Richards had 533 votes and Haigh 532. Richards was given the certificate of election, and Haigh instituted a contest. The ballots were recounted by County Clerk J. U. Eldredge, jr., and in the recount Haigh gained five votes, and Richards lost three. This is practically undisputed on both sides, and the entire question of who is entitled to the office now hinges on the validity of the ballots challenged by each party.

Richards has challenged 112 votes which, upon their face, appear to have been cast for Haigh, and Haigh has challenged 107 which appear to have been cast for Richards. Richards is a democrat and Haigh is a republican. Judge Ritchie will dispose of the case in a short time.

DIVORCED AFTER YEARS.

Couple Wrongly Thought They Were Separated in 1900.

Mary A. Daly and James F. Daly, who were granted a decree of divorce on February 9, 1900, were never really legally divorced until yesterday. The reason was that Mrs. Daly's attorney failed to cause the decree to be signed and entered.

A few days ago the parties, learning of the status of the matter, signed a stipulation waiving the signing of findings of fact and conclusions of law, and yesterday Judge Morse signed a nunc pro tunc order directing the decree to be entered as of date of February 9, 1900.

HE CHARGES FRAUD.

August Katterhorn Wants His Nevada Mining Claim Back Again.

August Katterhorn began a suit in the district court yesterday to set aside a deed which he made to Mrs. John Tyree of the Little Gem mining claim in Lander, Nev. He says that Mrs. Tyree's husband represented to him that a company which had taken

a contract to work the claim was about to throw up the job. The husband claimed to be representing the company. On the strength of his story, Katterhorn alleges, he sold the claim to the Tyrees, making the deed in the name of Mrs. Tyree, for \$250, when, as a matter of fact, it is worth at least \$5,000.

Subsequently he discovered, so he alleges, that Tyree's representation was false, and that the working company had no intention of throwing up its contract. He expresses a willingness to return the \$250 he received from the Tyrees, but he wants them to be compelled to deed him back his claim.

CONFESSED WIFE MURDER

New York Man, After Months of Wandering, Returns and Gives Himself Up.

Albany, N. Y., Feb. 24.—John Cross Hammond, whose wife's body was found in a trunk in their home in this city last November nearly two weeks after she is supposed to have been murdered, and ten days after he himself had disappeared, walked into police headquarters here today and surrendered himself. He confessed to having killed his wife.

Since his disappearance the authorities have traced him to Canada, thence to Arizona, then to Montana, where all trace of him was lost.

Arthur Strong, Hammond's youthful cousin, accompanied him thus far, but deserted him in Montana and returned to his home in Rouse's Point.

When Hammond walked into police headquarters he was accompanied by Strong and his own sister.

IS CHARGED WITH MURDER

Young Italian Woman Handy With a Dirk—Killed a Man in New York.

New York, Feb. 24.—Josephine Polari Terranova, a 17-year-old Italian matron, who, it is alleged, stabbed Cas-tano Riggio and his wife, with whom she had made her home before her marriage, two months ago, was arrested today. The charge against the young woman is murder, as Riggio died in a hospital today from his wounds. Mrs. Riggio's condition is some what improved.

After her arrest Mrs. Terranova told the police that she stabbed both Riggio and his wife. She asserted that she was justified by the treatment which she claimed to have received at Riggio's hands since she was 13 years old. When she told her husband of Riggio's treatment, he refused to live with her, the girl said, and for this reason she attacked both her uncle and his wife. She bought a knife and had it ground to a shape of a dagger.
